- Insights & experiences on **simplification actions for capacity building** (experiences from flat rate TA, financing not linked to costs) - *Markus MCDOWELL, Head of Managing Authority Team, Austria*
- **The changes in the organisation of managing authorities** from 2000 until 2020- *Francesco AMODEO, Policy officer, Administrative Capacity Building and Solidarity Instruments, DG REGIO*
- **Panel discussion**

15:00 – 15:50

Capacity building of beneficiaries & partners

Beneficiaries and partners are important members of the cohesion policy ecosystem. Beneficiary capacity to develop and implement projects that are effective and with investment impact is a key factor for successful achievement of programme objectives. In addition, effective implementation of the partnership principle depends on well-capacitated partners that can enhance collective commitment to and ownership of cohesion policy.

- Pilot actions to **support beneficiaries** - *Maria Varinia MICHALUN, Head of Unit, Governance and Strategic Planning, OECD* and case of Corsica, *Alexia VERO, deputy director, Collectivity of Corsica*.
- **Focus on citizens** – REGIO & OECD pilot actions – *Alex SEEMANN, Policy Analyst, Digital, Innovative and Open Government, OECD*
- **Empowering the youth** & EUTEens4Greens initiative - *Joanna JAKUBOWSKA, Just Transition Policy Officer at CEE Bankwatch Network*
- **Panel discussion**

15:50 – 16:00

Concluding remarks

- Summarising the day and looking toward to the future - *Nicola DE MICHELIS, Deputy Director-General (acting), DG REGIO*
